Patina Powdercoat Finishes

Parasoleil Powdercoat Finishes For Aluminum

Parasoleil's award-winning proprietary powdercoat finishes for aluminum are specifically developed for their versatility, durability, and beauty to match the timeless qualities of our architectural panels.

BENEFITS & FEATURES

- 10-year finish warranty for UV performance and adhesion to base metal*
- Quality gloss and color retention
- Finished on both sides for maximum versatility
- UV stable, no VOCs, and exterior grade

PROPRIETARY FINISHES

- **Quality Standards:** Consistent in color and texture, these finishes are versatile.
- **Patina Powdercoats:** With a varied aesthetic, these finishes have unique markings, tones and qualities based on natural materials and aged metals. Due to the unique nature of the finishes, results will vary per panel.

WARRANTY FOR STANDARD FINISHES

All Parasoleil finishes are protected by a 10-year warranty against cracking and peeling under normal conditions. Panels with sustained exposure to corrosive environments such as chlorinated or non-potable water (irrigation systems & swimming pools), saltwater, and industrial chemicals, as well as panels that have been modified in the field (cutting, bending, etc.) are not covered.

CUSTOM FINISH

Custom panel finishes for aluminum are available for specified powders. A color matching process is not offered. All custom finishes are subject to approval by Parasoleil and are not covered by Parasoleil's finish warranty.

QUESTIONS?

Contact Parasoleil for complete specifications, installation requirements, and warranty coverage.

*Warranty is subject to installation being farther than 5 miles from the ocean. Both warranty and powder availability to be confirmed at the time of order.
