

Agave[®] (AGV)

Uses both open and solid areas to create a pattern flow and a dance of shadows. This pattern works well for concealing and accenting. It is inspired by the dances and dresses of Latin America. Some say Agave is better appreciated with a salt rim and lime, but as purists, we feel the pattern is perfect as is, taken in slowly over the course of its long lifespan.

Shade Score	7/10
Privacy Score	8/10
Biomimicry Score	6/10
Structural Strength Score	8/10
Small Hole Size Score	5/10
MESH Score	2/10
Openness	17% Open
