Dawn Grille© (DNG)

Life in the 20th Century city meant an exponentially climbing skyline. Floors upon floors. Concrete, steel, and steam heat. The conversation between neighbors above and below you included sending a gift via the dumbwaiter, banging on the ceiling, knocking on the pipes, and meeting on the fire escape. Tony Orlando and Dawn's song, "Knock Three Times" captures a moment in time, while Dawn Grille captures timeless design.

Shade Score	2/10
