## Gotham<sup>©</sup> (GTM)

A world gone mad needs a hero. Our nod to the caped heroes, heroines, and all the villains we love to cheer and jeer, is a playful mix of geometry, perspective, and whimsy... with a dash of raspy voice too. This contemporary design captures our imagination and tells its own story.

|                           |          |
|---------------------------|----------|
| Shade Score               | 9/10     |
| Privacy Score             | 10/10    |
